

Pella Cooperative Electric

Your Touchstone Energy® Cooperative 

Lineman or Apprentice Lineman

Job Posted: June 11, 2025

Deadline: July 3, 2025

Job Type: Full-time, Hourly

About Pella Cooperative Electric

Pella Cooperative Electric, based in Pella, Iowa, provides reliable electric service to over 3,200 homes and businesses across five counties in south-central Iowa. Ranked by USA Today as the #3 best place to live in the U.S., Pella offers a welcoming community and high quality of life.

At Pella Cooperative Electric, you'll enjoy:

- Competitive pay and top-tier benefits
- A positive, safety-focused workplace
- A culture that supports work-life balance and personal well-being

Position Summary

This position supports the construction and maintenance of overhead and underground electric distribution systems. The selected candidate will work alongside experienced team members to:

- Construct, maintain, and repair electric power lines and equipment
- Operate aerial lift equipment and heavy machinery
- Climb poles and work at heights
- Follow all safety protocols as outlined by OSHA, ANSI, and cooperative policies

Requirements

- High school diploma, GED, or equivalent
- Graduate of an accredited Power Lineman program or equivalent utility experience
- Valid Class A CDL
- Must reside within 30 minutes of cooperative headquarters upon hire
- Strong commitment to safety, teamwork, and customer service
- Previous utility experience preferred

How to Apply
